Project Details	
Aim	<p>What is Open Day? This is an open day for the Slovenian economy, when companies welcome visitors and present their work processes, nature and working conditions.</p> <p>Why Open Day? To get to know the professions the economy needs in a real-world environment. Professional decision-making is one of the key but difficult decisions, and gathering information is of paramount importance.</p>
Target groups	Pupils and students
Exchange of Experiences	Collaboration has increased the opportunity for practical training throughout work. The involvement of the social partners has provided ideas of what goals and competences the school should pursue in its individual curricula within the open curriculum.
